

The Charleston Calligraphy Guild presents

# *The Glory of Flourishes*

with Timothy Botts

## **The Glory of Flourishes**

The magnificence of nature, the glory of Olympic athletes, the loftiest of human thoughts--these are wonderfully expressed in the flourishes that developed during the Renaissance. This workshop will include a demonstration of flourishes with both italic lower case and capitals. A series of exercises will include finger writing and "waterfall" while working to music. We will break down complex flourishes into their most basic components and progress from simple swashes to more complicated forms. Students will learn the best places to use flourishes and how to weave them into multiple lines. Interpretive uses of flourishes will also be explored as a way to create new ones. Class is for all levels but basic knowledge of Italic is helpful.

## **Location/Cost**

Charleston Baptist Temple      \$120.00 for all 3 days  
209 Morris Street                \$10 for Friday evening (no charge for Guild members or if  
Charleston, WV 25301            attending Sat and Sun course)
